Liverpool Sept 6th,  
1874

Cousin George Sir

I have know excuse for not writing only my negligence but I will try to write you a few lines to let you know that wee are all well at presant. Wee lost our secont son one year ago the 29th of this month. He died with the inflamitory rheumatism. He was in his thirteenth year. Whitman lost his youngest daughter Alethia. She died last May in her 24 year of age. If I could see you I could talk better then write, but, as it...

is appointed unto  
man once to die and after  
this the judgement.  
Therefore it makes no differ-  
ence when we go if we  
have got on the Wedd-  
ing garment, Alethia got  
the garment while she  
was sick and died happy.  
Abraham my son when  
the grim monster came  
went sudden it went to  
his hart altho he had  
ben sick some three or  
four weeks, Vaughns  
foalks are well they had  
bought the Hiram Vau-  
ghn plaice on the corne-  
rs west of them and  
moved thir Maryann  
has ben very poorly the  
latter part of spring and

... appointed unto  
man once to die and  
after this the judge-  
ment. Therefore it  
makes no difference  
when we go if we  
have got on the  
Wedding garment.  
Alethia got the  
garment while she  
was sick and died  
happy. Abraham my  
son when the grim  
monster came went  
sudden. It went to  
his hart altho he had  
been sick some  
three or four weeks.  
[??]'s foalks are  
well. They have  
bought the Hiram  
Vaughn plaice on the  
corners west of them  
and moved there.  
Maryann has ben  
very poorly the  
latter part of spring  
and ...

the fore part of  
summer and has ben rather  
bad for William, Whitm-  
ans foalks are well. I hu-  
ve not ben over to Giles es  
for some time but I saw  
him yesterday. This has  
ben another rather bad  
season. Wheat is good  
and Corn is very good.  
Oats are rather lite to  
what they comonly are  
in this Country but better  
then they ware last year.  
Potatoes are light. Gra-  
ss is very light. Well  
George I get to think  
sometimes when we  
ware boys and the old  
setlers that first sett-  
leid Liverpool and where  
are they. They are gon

... the fore part of  
summer and has  
been rather bad for  
William. Whitman's  
foalks are well. I  
have not ben over  
to Gileses [Bates?]  
for some time but I  
saw him yesterday.  
This has ben  
another rather bad  
season. Wheat is  
good and corn is  
very good. Oats are  
rather late to what  
they comonly are in  
this couthey but  
better then they  
ware last year.  
Potatoes are light.  
[??] is very light.  
Well George I get to  
thinking sometimes  
when we ware boys  
and the old setlers  
that first settled Liv-  
erpool and where  
are they. They are  
gon ...

I think I do not want to  
hear from because I don't like  
you need not

and we shall soon  
follow, You say you  
have got no letter from  
me since you was here  
I have riten but not  
as mutch as I ought  
for it is about the hard-  
est work I can do to  
sit down and rite a letter  
Giles sais he has wrote  
you one letter since  
you was here and got  
no answer, you said  
you had heard nothing  
from Pittsburg neuth-  
er have we nor nothing  
from Youngstown  
for a long time, Well  
I must close Yours  
truly B. C. Davis

P.S. you need not  
think I do not want to  
hear from because I  
don't rite.

... and we shall  
soon follow. You  
say you have got  
no letter from me  
since you was  
here. I have riten  
but not as mutch  
as I ought for it is  
about the hardest  
work I can do to  
sit down and rite a  
letter. Giles sais  
he has wrote you  
one letter since  
you was here and  
got no answer.  
You said you had  
heard nothing  
from Pittsburg  
neither have we  
nor nothing from  
Youngstown for a  
long time. Well I  
must close. Yours  
truly B.C. Davis
