Dear Chile:-

Yours of Tuesday came  
just now, and I haste  
to reply. We are up in  
g# to get the news that  
they intend to get a new  
Teacher in place of the  
stick they have now, and  
from all appearances we  
have to believe that you  
are "it". The reason I  
had not given the papers  
to Mr. Jilson was that I  
was considering the point  
of getting them in printed  
pamphlet form, and was  
just setting about it  
instanter when your letter  
came,

pick up some ideas, See &

I am to write her at

Your letter did  
me a heap of joy to  
think that you may be  
here next winter!

Robins are here and  
the frost is about out  
of the ground, no snow,
