I have finished that Town. Wm Berry
expects to come to Elsie soon as
to ~~write me~~ on a lawsuit between
Leach & Ramey & Gould of Owosso

Bill will be compelled to give up
canvassing. As he says he cannot work
more than half of the time. After he
has worked about half of a day it
makes him cough. And he spits up
lots of Blood. I have not seen Mr
Shorty since I was over there. I do
not know what is the reason they do
not come and see me. While in Northfield
I made it my home at Mr Palmer's
