The letter that Adelia wrote to John
did not arrive at Bowling Green
until after John died. Aaron
brought it here and Pa was the one
to open it instead of John.

I wish that John might have lived to
read it, it was a good letter. I think
that he had a wrong idea with
regard to some of his brothers and
sisters. Adelia was not the only one
that he had hard feelings toward.
He wrote to Durfee that he had but
about too brothers that was Lyman
& Elijah. I know that there is not
one of us but what would have
done any thing for him that lay in
our ...

you cannot imagine the feelings that it gave me altho we were expecting him I could hardly believe that such could be the case O how frail we mortals are

power he was our brother
and I do not doubt but what
he was as near to you all as
any of the rest are I know
that I had a great anxiety
for him and allways wished
him well ~~the~~ Ma has gone
over to see Kate to day.

well I have taken another
rest now I will stay and finish
my letter Ma has returned
home Kate and her boy are quite
smart Kate takes Johns death
very hard. Ma is well as usual
it was a hard blow to her
to have John brought home
in the way that he was,
indeed I hope that I may
never never see one of my friends
brought home in that way again
O what a sight, to see a wagon
stop at our gate with a coffin
containing brother Johns lifeless body

Well I have taken another rest now. I will try and finish my letter. Ma has returned home. Kate and her boy are quite smart. Kate takes John's death very hard. Ma is well as usual. It was a hard blow to her to have John brought home in the way that he was. Indeed I hope that I may never never see one of my friends brought home in that way again. O what a sight, to see a wagon stop at our gate with a coffin containing brother John's lifeless body. You cannot imagine the feelings that it gave me altho we were expecting him. I could hardly believe that such could be the case. O how frail we mortals are.
